

Sprayers & Dusters

Phantom Sprayer

- *Electrostatically charges droplets for better adhesion and less run-off.*
- *Fine spray penetrates foliage, and provides total coverage of leaves, fruit, and branches.*
- *Drift loss reduction of 85%*
- *High volume fan.*
- *A variety of outlet options to meet your spraying needs.*

Electrostatic Duster

- *Electrostatically charges dust particles for better adhesion.*
- *Greatly reduces drift and wind losses.*
- *Application rate can be reduced while still obtaining very good coverage.*
- *Three Point model*
- *Galvanized hopper and high volume fan.*

Regular Duster

Electrostatic
