ProJet® Turbo Mix Flex Sprayer

MODEL	CAPACITY LT	WIDTH MM	LENGHT MM	HEIGHT MM	WEIGHT KG
TURBOMIX FLEX 660	600	1800	1400	1950	526
TURBOMIX FLEX 880	800	1800	1400	1950	538
TURBOMIX FLEX 1100	1000	1800	1400	1950	546

FAN:

The centrifugal fan is made of polyethylene with a steel impeller. The impeller is PTO driven coupled through a gearbox raising the air volume needed for spray.

DIFFUSER:

Build with a rubber conveyor allowing the head to rotate 180° by the hydraulic motor. Brass Air-Injector Jets to spray the chemical mixture directly into the air blast.

REQUIREMENTS:

- 1- Minimum 75 Tractor Horsepower
- 2- 1- Tractor Hydraulic Remote
- 3- 12-Volt DC source
